

# State-approved tutoring providers

*This information was provided by the Pennsylvania Department of Education and has not been verified by PCPE. Please note: at the time of publication, it was unclear whether or not public schools and districts which were approved providers in 2003/04 would continue to be approved for 2004/05. For the most recent information, check [www.pde.state.pa.us/tutoring](http://www.pde.state.pa.us/tutoring). More detailed information about providers is also available at that website: click on "List of Provider Services by Agency."*
